Dear Pete,

Thank you Thank you I'm writing this to Thank you and your staff for the wonderful gift of flowers you sent me. They were a super spirit lifter. Of course they still are whenever I see them. You are a very thoughtful young man and I pray the Lord blesses ^{all of} your efforts. I'm 'gonna' say if you make my day. It make me cry and then smile to know you were thinking of me.

I still must tell you that your staff are so friendly and courteous whenever I speak with them. And one day I shall come over there and give you all a hug. Love,
Fran
